## SUPERINTENDENT SEARCH SURVEY

Your school district is interested in your input as they seek to hire a new superintendent. This survey is designed to gather your perceptions of the school district and the importance of various characteristics found in effective superintendents. The information will be used to determine the desired characteristics of the next superintendent. Thank you for taking the time to share your thoughts. The survey is conducted by a search firm, which ensures that your individual responses are kept anonymous and confidential.

Please answer all questions to the best of your ability. You may skip any question you feel you do not have sufficient information to answer.
