## IN THE CLASSROOM

Ms. Grischow's 7th grade reading class worked together on a connected activity to the novel we're reading, Students took turns being blindfolded while a partner guided him/her to make a paper weave similar to the book they are reading where one character, who is blind, has to weave mats from palm leaves. Thanks for sharing Ms. Grischow!

## THE LADY GENERAL'S SEASON VICTORIES

The 2021 8th grade lady generals volleyball season was definitely a big part of the whole team's school year. They had high points and low points but in the end, they brought it together and won 2nd place for FVC & 1st place for city of lights! Our lady generals have shown team spirit, good sportsmanship, and most importantly, they formed a family during the season. They loved being loud and cheering each other on, and no matter what they always ended the match with smiles on their faces. They definitely had an amazing season. Their amazing coaches (Mr. G & Mrs. Cruz) made them the players they are right now. The team was so thankful for them they surprised them with a gift at the end of their season! We couldn't be more proud of our 8th-grade lady generals!

**GOOD LUCK THIS WEEKEND CHEERLEADERS!**
