Speak Up Sis! Girls Empowerment Summit

Featuring... the phase of SELF-LOVE
Raise Your Voice & Make A Change!!!

Providing a platform for the youth to speak out their truths, wants, traumas and/or challenges.
Self-Acceptance: Accepting the world around us is just as important as accepting our true self. Most of our challenges and mental setbacks come from the lack of accepting things in their true nature. We tend to always look at things or people for what we want them to be or who we want them to be, but the best way to navigate to your full potential and ideal self is through the lens of ACCEPTANCE.
