We are pleased to announce that the Boys & Girls Club has started for the Spring Semester at Washington Middle School. This **FREE** after-school program provides age-appropriate, engaging recreational programs for students in Aurora and North Aurora. The hours spent at the Club are productive and fun, with students working toward community initiatives and culminating presentations for families to enjoy.

- **The Basics:**
 - Programs are offered daily from 3:40pm to 6:00pm, Monday through Friday, on days when school is in session.
 - Close-to-home evening transportation is provided for students at 5:45pm.
 - A 1:15 staff-to-student ratio is maintained to ensure that students get the support and attention needed from our team of youth development professionals.
 - Nutritious snacks are provided daily after school.
 - **What We Offer:**
 - **Academic Enrichment** – Students receive assistance with their daily homework assignments, in addition to hands-on learning activities that promote literacy and STEM.
 - **Social Emotional & Community Building Activities**– Our students participate in positive community activities that develop social skills and relationship building.
 - **Sports & Recreation** - Activities will build self-esteem, positive communication skills and promote physical fitness, leadership skills and working as a team.
 - **The Arts** – Visual arts, crafts, and performing arts help promote creativity and self-expression.
 - **Extras** – In partnership with local businesses, students have the opportunity to participate in field trips and engage with leaders in the community.
 - **How to Join:**
 - Students can be enrolled via paper application, available at their school office, or online at www.bgcclglin.org/apply. Applications must be completed in entirety and include parent signatures.
 - Completed applications will receive a confirmation email with the child's start date, or indication if the child is on a waitlist.
 - Call our bilingual team at 847-608-5017 for more information or enrollment support.
