Summit

Featuring... the phase of SELF-LOVE
Raise Your Voice & Make A Change!!!

Providing a platform for the youth to speak out their truths, wants, traumas and/or challenges.
Self-Acceptance: Accepting the world around us is just as important as accepting our true self. Most of our challenges and mental setbacks come from the lack of accepting things in their true nature. We tend to always look at things or people for what we want them to be or who we want them to be, but the best way to navigate to your full potential and ideal self is through the lens of ACCEPTANCE.

IMPERFECT ANGELS OF IL PRESENTS...

1st Annual Voices Brunch: A MOMENT OF REFLECTION ACROSS GENERATIONAL Women

A Diamond & Pearl Affair

Accessorize the GIRLS in DIAMONDS & WOMEN in PEARLS!

Designed to survey and hear the voices of the community about needs, the youth about barriers, and the results needed to create better home environments and support for the youth. During this program, the participants will engage in meaningful conversations around the unheard cries for help that youth girls deal with in today's society.

Breaking the barriers between generational women and girls that creates a lack in passing on wisdom, breaking generational curses, and elevating chances of youth girls falling into destructive behaviors and patterns.

A chance to create a memorable moment for the young women in our lives and communities!
